## DARRYL ANDERS AGAPESOUL „Conversations“ (Darryl Anders)

Publiziert am [26. Juli 2018](#) von [jms](#)

"Conversations": is the communication between soul and jazz, along with the exchange and understanding between each of the highly skilled musicians which results in the creation of fresh new musical ideas. Together we are stronger. Darryl Anders and his AgapeSoul project prove the ancient wisdom once more. His "Conversations" is a well-tempered Soul-Jazz Revue with the natural swerve in the direction of Gospel, R & B and Funk. 10 extremely well crafted songs create a very solid "state of the art" stretching the boundaries without the need of exceeding limits. Darryl's bass leads a tight ensemble with Zoe Ellis (vocals and co-writer), Cam Perridge (guitar and co-producer), Lynette Williams (Keys) and Aaron Green, who provides the flexible foundation. The associated guest list is long and prominent (Tommy Sims, Geoffrey Williams, Ivan Neville, Paul Jackson Jr., and Levi Seacer ...) which ensured sufficient source material for all the participants in this musical conversation in the studio. Now we can all enjoy the end result.
